

ARAN Services Ltd

**Cavity Wall Insulation with Aran Services:
A zero cost solution to increasing tenant satisfaction**

**FREE CAVITY WALL INSULATION FOR
THREE STOREY PROPERTIES**

Hard to Treat Cavity Wall Insulation – Hillington Square, King's Lynn, Norfolk

Hillington Square comprises 320 properties among 14 five and six storey blocks with approximately 800 residents.

In the past, three storey properties have been difficult and expensive to insulate because of the extra access equipment needed. Now, with new funding from UK Energy Suppliers we can insulate these types of cavity walls for free and insulate the loft as well¹. This grant funding is not means tested or related to any benefit claims meaning all three storey properties can benefit from free cavity wall insulation¹.

Remember that cavity wall insulation can save you up to £140¹ a year on your energy bills. With prices rising year on year, now is the time to insulate. This grant funding is only available for a limited time.
