

ARAN INSULATION LIMITED
TERMS & CONDITIONS FOR LOFT AND CAVITY WALL INSULATION

1. This quotation remains open for acceptance for a period of 30 days following the installation survey unless otherwise dictated by the scheme manager, external Grant Funder or due to unforeseen market conditions.
2. When you sign and submit the quotation to Us this does not mean Aran Insulation Limited (We/Our/Us) have accepted your order for Goods and/or Services. Our acceptance of the order will take place as described in clause 3. If We are unable to supply you with the Goods and/or Services, We will inform you of this and We will not process the order.
3. These Terms will become binding on you and Us when We issue you with a written acceptance of an order, or attend site to commence installation, at which point a contract will come into existence between you and Us.
4. Access will be given to Us at all reasonable times so that We may complete all necessary work. 8am – 5pm Monday to Friday, (Saturdays by prior agreement) and in one continuous site visit.
5. If an appointment is cancelled within 7 days of the proposed installation we may charge a cancellation fee of £60 (including VAT @ 20%) if we are unable to replace the job at short notice.
6. Payment is due immediately upon completion of the works specified. All payments are to be made to Aran Insulation Limited; these can be given to the installer who will issue a receipt. If for whatever reason we have to send an invoice, payment is due within 14 days of the invoice date. If you fail to make any payment due to Us under the contract by the due date for payment a late payment fee of £25 (inclusive of VAT @ 20%) will be added to the amount due and you shall pay interest on the total overdue amount at the rate of 5% per annum above the Bank of England's base rate. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. You shall pay the interest together with the overdue amount. Relevant guarantees are provided once final payment is received.
7. We rely on you giving accurate and truthful information on grant application forms where the Goods and/or Services are being wholly or partly paid for by Us obtaining grant assistance on your behalf. We reserve the right to recover from you the amount of the grant in full should any of the information you provide regarding your eligibility for grant assistance later be proven to be false.
8. For these services a 220/240v power supply must be made available by you.
9. VAT will be charged at the applicable rate in line with current government legislation.
10. You warrant that you have the authority to enter into this contract.
11. We shall perform the Services with all due care, skill and diligence, and in accordance with Good Industry Practice.
12. While due care and skill is applied at survey stage, the Company reserve the right to withdraw from the contract in whole or in part if closer examination at install the structure reveals its unsuitability for insulation, or that safe access to any part of the property is not possible using the standard equipment provided to undertake such works in line with Health & Safety regulations. Where only part of the contract is undertaken the Company's pro-rata or standard charges for work actually completed will apply.
13. Due to nature of Cavity Wall Insulation we reserve the right to cancel an installation at short notice should the weather conditions be unsuitable.
14. While the company will exercise due care and skill, it cannot be held responsible for damage to hidden cables, pipes and wires if their location is not notified to our surveyor prior to the commencement of works.
15. **Cavity Wall Insulation:** Please remove all items from window cills or hanging on the external walls as they may be dislodged by vibration caused when drilling the walls. The works produce an amount of brick, mortar and render dust despite our due care and reasonable skill. Please ensure all garden furniture, plants and other items close to walls to be insulated are moved prior to works commencing. You should also notify your neighbours of this appointment and the generation of dust, so they can close their windows and refrain from hanging out washing
16. Loft insulation is installed to a minimum depth of (270mm) invariably covering the tops of the joists. While due care and reasonable skill is taken, there are health and safety considerations for you when entering the roof space and disturbing the insulation.
17. While due care and reasonable skill is taken at survey and installation stages, we require you to inform us of any single skin construction areas of external wall as damage to these may occur if we are not informed. Should such a situation occur we are unable to accept liability for this damage.
18. We require all personal possessions to be removed from the loft space, including boards unless stated on the quotation overleaf.
19. While due care and reasonable skill will be taken, we cannot accept responsibility for old or poor pipework within loft spaces that develops leakage following the installation of pipe insulation. Similarly, some ceilings may be extremely fragile due to poor or old construction, we cannot accept liability for any cracking that might appear as a result of the work.
20. Where we install loft ladders and/or raised boarding we cannot accept responsibility for any damage to ceilings that might occur due to the additional weight of the raised boarding and/or items you may store.
21. Any damage must be reported to the Company within 48 hours of job completion.
22. As a consumer, you have legal rights in relation to Goods that are faulty or not as described, as well as Services not carried out with reasonable care and skill. We are under a legal duty to supply Goods that are in conformity with this contract. Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office. Nothing in these Terms will affect these legal rights.
23. In the unlikely event that there is any defect with the Goods or Services:
 - a. Contact Us in the first instance and tell Us as soon as reasonably possible;
 - b. Give Us a reasonable opportunity to repair or fix any defect; and
 - c. We will use every effort to repair or fix the defect as soon as reasonably practicable. You will not have to pay for Us to repair or fix a defect with the Goods or Services under this clause.
24. You may make a complaint by letter sent by post to Aran Insulation Limited, Units 1–6, The Old Station, Higham, Bury St Edmunds, Suffolk, IP28 6NE, telephone call to 01284 812520, fax to 01284 811166 or e-mail to info@aranservices.co.uk. A complaint, when received, will be reviewed and acknowledged within five (5) working days. We will send you our full complaints handling statement and will keep you updated throughout the process. We aim to resolve your complaint within eight weeks of receipt. Any action relating to resolution of your complaint will be carried out as soon as practical, depending on the nature and severity of any issue(s) raised. Where any suitable resolution can not be reached or if you are not satisfied with Our decision, We will inform you that you may refer the complaint to an Alternative Dispute Resolution Service in accordance with the Alternative Dispute Regulations 2015.
25. You have the right to cancel this contract within 14 days without giving any reason in accordance with and only to the extent provided by the Consumer Contracts Regulations.
26. To exercise the right to cancel, you must inform Us of your decision to cancel this contract by a clear statement (e.g. a letter sent by post to the address in section 24, telephone 01284 812520, fax 01284 811166 or e-mail info@aranservices.co.uk). You may use the attached model cancellation form, but it is not obligatory. To meet the cancellation deadline it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired. If you cancel after 14 days we reserve the right to charge you for the cost of the survey and software lodgement fees that are paid by Us to undertake the energy performance assessment and for any materials that have already been purchased that are specific to your particular installation.
27. Please note that under no circumstances will the Company start work on the installation until the 14 day cancellation period has lapsed unless you request and sign the waiver on the quotation overleaf.
28. Please note that any future building work that involves cutting in to filled cavities could disturb the fill and invalidate the warranty.
29. We provide a 12 month installation and workmanship warranty for any works we are contracted to undertake with you.
30. Using personal information: We are committed to protecting and respecting your privacy. This section sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us or our agents.
